Dear Valued Community Member,

On behalf of the Clever R-V School District, we would like to invite you to participate in a Community Needs Survey. This survey will be conducted over the course of the next several months to gather valuable feedback from our entire community. This feedback will provide us important information on the accessibility of community and educational services throughout our community.

Your participation in this survey will assist the school in gathering local data regarding specific issues. In some cases, the survey results are used to identify areas that need improvement so that programs can be updated or developed to target those issues.

To participate in this survey, please go to the Clever School District website at [www.clever.k12.mo.us](http://www.clever.k12.mo.us) and click on the Community Needs Survey tab under the Community drop down menu. The survey should only take about 10 minutes to complete. The initial entry into the survey will ask for the surveyor's name. If you do not feel comfortable providing this information, you may enter "Clever" as an alternative name. ALL RESPONSES ARE ANONYMOUS AND COMPLETELY VOLUNTARY.

Thank you for your valuable feedback. We appreciate your contribution in making our school the best it can be.

Sincerely,

Carrie Montgomery, High School Counselor  
Lindsey Casey, Upper/Middle School Counselor  
DaLynn Twigg, Elementary School Counselor
