What will the preschool offer my child?

Our preschool offers a developmentally appropriate preschool experience. Project Construct curriculum is a "hands on minds on" curriculum. If you are looking for a "paper/pencil" type curriculum, you WON'T find it here. We feel strongly that we are providing an age appropriate environment where your child can build a strong foundation for later learning. We focus on social emotional development. Remember that play is the work of preschool children.

Applications are due back no later than February 1, 2011. You will be notified by March 1st, 2011 if you have been selected for enrollment. No fees are due at this time. Please send applications to:
