

# Here We Grow Again!!

The Long Range Planning Committee has recommended to the Clever R-V Board of Education to proceed with Phase II of the Clever R-V High School as is outlined in the district's Long Range plan which can be found at <http://www.clever.k12.mo.us/vision/default.htm>.

Some of the details of this project are:

- The new Clever Performing Arts Center (CPAC) will cover approximately 14,000 square feet.
- The estimated cost is \$2 million with an anticipated completion date of Summer of 2011
- No Tax increase bond issue set for April 2010 (Thanks to federal recovery monies along with historically low interest rates and construction costs.)
- The Center will house the Instrumental Music Dept. As well as the Speech & Theater Dept.
- The CPAC will also be used for Vocal Music, Assemblies and assorted community functions
- The CPAC lobby area will include display areas for the Art Dept.

# CLEVER R-V HIGH SCHOOL

Education... The Foundation of the Future

## PHASE II: FLOOR PLAN

SAPP DESIGN ASSOCIATES ARCHITECTS, P.C. 

We are very fortunate that, due to the low bids and the low interest cost of Phase I construction, we were able to add the 4 classrooms on the west end, the Vocational Center, the tennis courts and increase the size of the commons area to that original project. This allows Phase II to become only the Clever Performing Arts Center which we will be able to do with no tax increase due to district growth combined with other sources such as federal recovery monies that may be available. The highlighted area above is the Clever Performing Arts Center.
